Major Development Planned for Altona West

An international organisation has plans which may have tremendous significance in Altona. Ultimate development of just on 60 acres of land west of Maidstone Street is envisaged. The Slough Group of Companies with interests in Great Britain, Canada and Belgium specialise in erecting factories and services and leasing same to industrial tenants. This allows industry to expand and develop without allocation of its capital to buildings.

The Altona Council believes the envisaged development of light industry would give a great impetus to Altona's progress. As requested by the company they agreed to support an application to the Board of Works for the re-zoning of an initial 17 acres of the land for light industrial purposes. This area is located immediately north of Morrow Street and west of Maidstone Street.

Following are some interesting details in the letter from the company to the Altona Council—

"We are now able to advise that it is our intention, subject to a firm indication of early relief from the main drainage problem, also the granting of the essential Town Planning permit, to proceed with development from Maidstone Street. We are in touch with the State Government and the Melbourne and Metropolitan Board of Works on the drainage matter and are hopeful of a comparatively early solution. The planning aspect is under consideration by the MMBW and we must now obtain your council's approval in this regard.

"Here in Altona we will be providing or financing reticulation of services from most authorities except that in the case of sewerage, we shall have to install and operate a temporary treatment plant until permanent facilities are available.

"Evidence of the level of importance attached to an industrial undertaking of this nature, due to its obvious advantage to local economy, may be gained by reference to the arrangement for our most recent development, that in Belgium. Facilities provided for our Belgium company, without charge, include the construction of roads and installation of all major services.

"On the subject of our general program for development we would say it has been found that early growth of an estate is usually very slow and we would not expect this to be otherwise here, particularly as leasing of factories is comparatively slow to the territory. It is only over a period of several years that we anticipate major growth.

"We endeavour to provide popular sized factories in advance of requirements and as buildings in an initial pilot scheme are taken up, so we erect others. (At Slough due to the demand, it is now customary to erect factories in groups of as many as 10 or 12 at a time and most are let before completion.)

"Provision is made for large industries as well as those of moderate and medium size and, at Altona, we will be prepared to meet whatever demand is forthcoming except that we shall not wish to accept any industries of noxious or similarly annoying type.

"An industrial estate of this pattern provides ready accommodation for the more popular sizes of industry and by reason of the availability of land, services and standardised designs, speed establishment of the larger enterprises. The most important aspect is, of course, that it allows industry to estab-

lish and expand without commitment of capital and mortar.

"From discussions with officers of the MMBW on the Town Planning aspect it is believed that with Council's agreement that the Board will give favourable consideration to an application, under the terms of its Interim Development Order 1961, for a permit covering use, for Light Industry, of some 17 to 18 acres adjoining Maidstone Street. This land is zoned Rural A by the Board, is all our land at Altona. It is also believed that subsequent applications for additional and perhaps larger areas will be similarly considered, subject to our having initiated development in a satisfactory manner. As development of the respective permit areas take place (not before) they would, in-

dividually, be rezoned to an industrial classification.

"This procedure would appear adequate for our present needs for we are not seeking immediate rezoning of our land. It appears reasonable, however, to try and arrive at some satisfactory arrangement that will enable us to progressively develop the estate of a sound basis. We are sure it will be understood that we could not consider such an extensive project, involving high capital outlay, without some guarantee of continuity of operations.

"We think it will be agreed that this development, if successful, will hold many advantages for the municipality as a whole. There are several problems still to solve and if we can go forward with the support of council this will be of the utmost assistance in getting the project under way."

'THE POLE WAS CANNED'

Joseph and Paul claim the record of being the first ever to stack to a height of 22 feet an eccentric cylinder of 19 lavatory cans, using a flag pole as an axis.

The actual feat was performed on the 8th day of October in the year 1963 A.D. at a local secondary school.

The aim of the feat was to determine whether a teacher has a sense of humour. It was discovered, disregarding the actual experimental error or two, that teachers have a sense of humour above and beyond the call of duty.

The experiment produced a number of by-products, namely—

1. The inefficiency of the "Watch Service;"
2. The capabilities of the heroes;
3. Galvanized iron readily scratches white paint to produce the obliged repainting by the victims; and
4. The indolence of surrounding neighbours.

Werribee to join V.F.A.?

The Victorian Football Association have sought Werribee Shire Council's views on the possibility of the district being represented in senior football and inquired if a suitable ground is available for such games.

Cr. Hudson, eager to keep the matter alive, suggested letters, giving details as requested, immediately be sent to the VFA and Football League.

He said there has been considerable discussion among the football fraternity on the subject and he could

see no reason why one ground should not be made available.

He further suggested inquiring from the VFA what facilities, etc., they would require for Werribee to join such an association.

Councillors agreed to his suggestions.

WELL DESERVED HONOUR

Mrs. Linda Oakes, of Upton Street, Altona, has been appointed a Life Governor of the Spastic Children's Society of Victoria.

The presentation was made to Mrs. Oakes at the fifteenth annual meeting of Chis-lon last Friday evening.

The president of Chis-lon said Mrs. Oakes has worked very hard for the centre and the honour was well-deserved.

She has been honorary secretary of the Chis-lon Altona Aid Committee since its inauguration in 1959 and in that time this committee has been instrumental in raising £1200. This year the committee has sold over £90 worth of tickets in the annual Christmas Stocking Raffle.

In addition to helping raise this money Mrs. Oakes has sold hundreds of Forget-me-Nots on the Spastic Children's Annual Forget-me-Not Day in September of each year.

She also works hard at collecting waste materials, bottles, stamps, etc.

Each year only one Life Governorship is presented to the person considered to have done most for Chis-lon in the preceding 12 months.

Guests at the meeting to see the presentation included the Altona Shire President, Cr. G. den Dulk, and members of the Altona Committee.

CIGARETTES STOLEN

Agile thieves broke into the Altona Bowl in the early hours of last Saturday morning.

They stole cash and cigarettes from a cigarette machine and a small amount of change from the till. Approximate value of the loss is £100.

To gain entry the thieves broke a skylight in the roof and somehow lowered themselves into the bowl.

Usually there is no change left in the Bowl.

Footscray CIB are investigating.

TRAIN HIT BY LIGHTNING

When lightning struck the Altona train at Seaholme during the electrical storm last Monday the damage was serious enough for the train to be taken out of running.

The control equipment and the motor were damaged.

However, there was no serious delay to traffic on the line.

DROVE CAR WHILST DISQUALIFIED

Bryce Noel Langshaw, 32 years, of Clematis Avenue, Altona North, was charged with driving a car during a period when he was disqualified from holding a licence. He pleaded guilty.

Constable Phemister said on October 23, he saw defendant driving a car in Gifford St., Williamstown and asked to see his licence. Langshaw said he had had it cancelled at the Court last Christmas and was just doing a woman a good turn by driving her.

Langshaw admitted losing his licence in November, 1962, for drunk driving, and three months gaol for illegally using in October, 1962.

He was sentenced to one month's imprisonment.

Students Gift Buys Seeing Eye Dog

Students at Altona North Technical School watch Frank Sultana hand over a cheque for £300 to Mrs. Phyllis M. Gration, president of the Lady Nell "Seeing Eye" Dog School in Malvern. The 600 students at the school raised the money during the last 18 months by voluntary social service contributions. Their aim was to cover the cost of training a guide dog and training a blind person to use the dog. Form 3A gave the most money this year to the fund. Mrs. Gration, who is herself blind, brought along Amber, the 18 months old Golden Labrador dog for whose training the boys have paid. She said Amber had been allocated to a blind Scots migrant, Mr. Fred Ross, a former electrical engineer, of Morewell.

EDITORIAL

AN IDEAL COMMUNITY

An ideal community is one where conditions are most conducive to the welfare and happiness of its people. In particular there must be full provision for the indigent, the ailing, the young and the old. Such standards are essential. The real measure of a city or towns success depends not on bricks and mortar but on how far at least, it meets those real needs.

Does an objective viewpoint of Altona give us real satisfaction?

Is there actual poverty in Altona? The Ladies Benevolent Society may give an answer. At present there is no benevolent society in Altona. Necessary aid is given by the Melbourne Society which otherwise caters for Melbourne and certain inner suburbs only. Generally speaking each outer suburb has its own body. Altona has four local representatives who do good work. Funds for relief of distress come from Government sources and donations by local councils. Up to now Altona council has not assisted but the matter is under review. We are informed that the health of Altona compares favourably with other areas. Our infant welfare services and our medical care at schools are adequate. We have a fine hospital with hospital provision for the future. In this connection we are concerned with the lack of a Ladies Auxiliary associated with the hospital. In our columns in a recent issue we read of the work of the Werribee Ladies Auxiliary—supported by churches and other organisations. Obviously an auxiliary serves two purposes. It gives an increasing number of people an interest in the hospital and also provides financial aid. We wish Mrs. H. Weaver all support in her efforts to form a local auxiliary.

Altona council in providing for free kindergartens has gone a step further than State authorities. The full implications of this move are yet to be seen but at least pre-school children are catered for adequately. The primary and secondary schools supported so well by community aid are a credit to the Shire. The outer ground areas are not all that could be desired but that is not because of lack of will by the school committees and councils. Away from school activities children are well provided for by youth clubs and other organisations. How far the spiritual education of the young is provided for we do not feel qualified to answer.

The elderly have problems. They need financial security. To some that means the pension, it may not be adequate, it is far short of the amount favoured by our councillors but it is an essential aid. The real problems of the elderly are largely their own.

For them increasing age brings increasing loneliness—worsened too often when opportunities for mutual family love are absent. The elderly, however, also need companionships, friendships, pastimes and occupations. Altona can provide the means by which these wants can be to some extent satisfied. The council has provided a building and meeting place in a peaceful surrounding.

The present facilities are being improved. The current Buy-a-Brick campaign gives opportunity to each according to his means to support this appeal and do his part in helping to alleviate the lot of the aged.

Letters TO THE EDITOR

Sir,

The vehemence of Cr. Lee's reply to your Editorial of 3/10/63 was surprising. Your Editorial suggested that place names are more suitable than personal names for the Altona public reserves. Surely the "Altona Star" is entitled to express an opinion on the subject without being accused of petty jealousy?

Considering Cr. Lee's spirited criticism in the past on such matters as the local bus service, leave arrangements of the Medical Officer of Health, MMBW, etc., it would seem that the councillor can dish it out, but can he take it?

Cr. Lee in his reply mentions that he gives his time

freely to the community on an average of five or six nights a week.

This may be so but not all of it was incurred because of his duties and responsibilities as a councillor.

Surely Cr. Lee does not regard time spent on activities such as the Altona Council of Unionists as council business.

The same Altona Council of Unionists with its Hiroshima Button Day associations was strongly condemned at the Melbourne Trades Hall on October 23, 1963, when unionists were warned that it had no support from the official trade union movement.

Cr. Lee cannot claim ultra council activities such as these as part of his five or six nights a week spent on council business.

—J. BACON.

Sir,

Would you please permit me space to join the ranks of those who dare to voice opposition to the views of our Public Relations Officer.

I am of the opinion that the views he has expressed, as published, are personal ones, and not the views of the councillors in general, surely one among them must see things a little differently, or would he dare to say so.

The present councillors elected are the choice of the majority of votes in the shire, where, under the present voting system, any chance of opposition is almost futile.

The rewards for services rendered are indeed an honour and should always

be considered as such, but let the people whom the councillors represent make the awards, not the recipients.

If service is to be honoured in the present manner for civic duties, past services should also count, many local people gave the community this service in the past and should be so honoured.

The cry from councillors that political aspects do not govern many of these decisions and the wrath showered upon those who do raise a voice in protest leaves many points in doubt.

If it is not the right of any citizen to be critical of some of the decisions of the glory crusaders what must we do to show our resentment.

—ANOTHER RATEPAYER.
(Name supplied.)

Sir,

As the writer of the letter which, together with your Editorial of October 3, appears to have roused Cr. W. Lee's ire, may I be permitted to pass a few comments on his reply which you published last week.

I think Cr. Lee has let his imagination run riot. No attempt was made to "defile" the name of Cr. Lee or any other councillor to the extent alleged by Cr. Lee.

There was no mention of politics in either the Editorial or the letter. The word "party" was used, but Cr. Lee cannot deny that when independents held seats on the council they were accused of being a "party," although they certainly did not owe allegiance to any political group.

He says he would be loathe to suggest that any former councillor should be forgotten, but apparently many have been "overlooked." It is significant that every present councillor has had a reserve named after him (and most of them a street also). Does not this obviously automatic reward tend to cheapen the honour?

As far as "petty jealousy" is concerned, I think Cr. Lee's letter reeks with it as evidenced by his reference to life governorships, knighthoods and sporting honours, etc. May I point out that these honours are not awarded to the recipients by themselves. Cr. Lee claims that no praise etc., is sought, yet he also says "I would ask those who are so quick to condemn to stop and think for a moment about our society which is based on how much personal gain can one get for his endeavours."

I would be one of the first to admit that councillors do a good job and devote much time to municipal affairs but can they take all the credit for Altona's progress? Is not some credit due to our very capable secretary, and engineer and their staff. Could Altona have made so much progress without the tremendous revenue in rates paid by the refinery, petrochemical complex and other large industries in the Shire? Banks would not fall over themselves to loan money to the shire without this "financial security."

In conclusion may I suggest to Cr. Lee that he choose his words a little more carefully.

21 SQUADRON AT DARWIN

No. 21 Citizen Air Force Squadron, normally based at Laverton, was put to the test during a mobility exercise at Darwin this month, and came through with flying colours. Led by their commanding officer, Squadron Leader C. R. Noble, D.F.C., 50 members of the squadron flew to Darwin and established a communication centre for Canberra and Sabre aircraft taking part in exercise "Short Term."

They kept a 24-hour radio link with Operational Command in Sydney, 2000 miles away. Picture shows Leading Aircraftmen Pat Gleeson, of Boolarra, Victoria (left), and Bernard Hearn, McBain St., Altona, carrying a role of aerial wire to the site.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

Guests Join the Cast

If you joined a theatre party would you expect to be cast up on a desert isle and crawl around looking for water? If there were gold nuggets all over the place would you start frantically picking them up and stuffing them down the front of your dress?

Mrs. Yvonne Burnett, of Jamieson Street, Laverton, did just these things at the Tivoli the other night. She was with a party of supporters of the Laverton Girl Guides who went along to see the hypnotist, Van Lowe. At the start of the show Mrs. Burnett and 60 others went on stage to be tested for the show. The field was narrowed down to 12 and she was one of them. She then remained on stage in a state of hypnotism for the whole of the show.

At interval the hypnotised men and women were told to find an attractive girl in the audience and kiss her, the women were to find a handsome male. Mrs. Burnett wandered around and around in a dream world, but she was too choosy—there was no man to suit her.

So that she can find out what the show was all about Mrs. Burnett has been given complimentary tickets for another night.

A Pleasant Saturday Night

It was a pleasant night for all at the Royal Australian Air Force Sergeant's Mess, Laverton, last Saturday night.

Entertainments member Warrant Officer Geoff Brown was responsible for arrangements, including dancing to the music of Warrant Officer Jack Walsh's band.

W/O Kinnear was present, F/Sgt. and Mrs. Jack Druber, Sgt. Maguire and his friend (very attractive too—not a "fiend" as he thought had been written down for "friend").

United States Air Force was represented by Chief Master Sgt. Mears.

Guests included Cr. and Mrs. Stan McIntosh, Mr. and Mrs. Ron Kinniburgh, Mr. and Mrs. Harry Harris and their daughter Lola.

As well as coach the Altona Youth Club girls in basketball, Bill Hulands, of the RAAF Post Office, could give them a few lessons on the twist.

Twisting on two legs is too tame for him—he prefers the stork stance and twists away on one leg.

It was a birthday celebration for Sgt. James Stryker, tenor with the RAAF Central Band. By way of thanking the guests for singing happy birthday to him, he delighted all with his singing of "Scottish Soldier" and "I belong to Glasgow."

In the party with him and

his wife were W/O and Mrs. Arch Birt, Mr. and Mrs. Gerry Monkhouse, Mr. and Mrs. Don Shortall, Mr. and Mrs. Chas Liesch and Mr. and Mrs. Don Mills—all from Laverton.

With Sgt. and Mrs. Jim Cullen were Mr. and Mrs. Ned Kimpton and Mr. and Mrs. Tom Tobin.

Accompanying Mr. and Mrs. W. Combes were Mrs. Pat Brennan and Mrs. Lois Wilson.

A.F.C. PRESENTATION NIGHT

The annual presentation night of the Altona Football Club was held last Saturday night in the Youth Club Hall.

Trophy winners were—
Best and Fairest: Mario Piovesan; 2nd Best and Fairest: Derek York; 3rd Best and Fairest: Bill Rowson; Most Consistent: Noel Rohleder; Best Clubman: Robert Combes; Best 1st Year Player: Ron Richardson; Most Improved: John Peterson; Best Backman: Ian Harris; "Altona Star" Trophy: Noel Rohleder; Economy—

Lightburn Trophy: Derek York; Economy Hardware Voucher: Noel Rohleder.

The good band and excellent supper helped to make this a very enjoyable night for the footballers, their wives and friends.

The club was disappointed though at the non-attendance of many of their supporters.

CENTRAL ALTONA'S NIGHT OUT

On Friday night the evening at the Central Hotel, sponsored by mine host Vic Geisler, for the players and committee of the Central Altona Football Club, took place when approximately 150 people attended.

This was a very enjoyable night and included among the guests were Mr. James Dorgan, the president of the Werribee Football League and Mr. Morrie Mason, deputising for his father, Mr. Albie Mason, secretary of the League. Mr. Dorgan took the opportunity of congratulating the seniors on their splendid first year effort and

the under 18 team upon winning the premiership for the second year in succession.

Last weekend the Central Altona Football Club had their end of the season trip, which they spent at Healesville as guests of the Healesville Football Club. About 50 players and officials made the trip and thoroughly enjoyed an eventful weekend. The following awards were won over the weekend—

The best player: Brian McQuiggan; The best "bird" flusher: Keith Murrell; The best trier: Henry Glynn.

The club has been invited back for a pre-season match in April next year.

The presentation night will be held on Saturday at the Altona North Youth Hall, when the trophies won during the 1963 season will be presented.

This evening will consist of a 50-50 dance and all the members are most cordially invited to attend.

Their efforts will help our local spastics. Your support will encourage them.

ALTONA HIGH SCHOOL P. AND C. MEETING

The next meeting of the Altona High School Parents and Citizens Association will be on Friday night, November 8, at 7.30 p.m. at the school.

'HALLOWEEN' SOCIAL

St. Eanswyne's Cricket Club have organised a "Halloween" Family Social for this Saturday night, November 2, in the Parish Hall.

There will be dancing, and games for all ages. All parishioners are being invited, and it promises to be a very enjoyable evening.

FASHION PARADE

Last Friday evening Margaret Webb's Frock Salon was the setting for a very successful parade of spring and summer fashions, consisting of casual frocks, street and after five frocks. Exciting hats were worn with these outfits.

Models were Presbyterian Sunday School teachers, Mrs. H. D. Curaham, Mrs. Hope, Mrs. Rivett jun., Mrs. Marks, Mrs. Van Teulingen and Miss Barbara Hughes.

After the showing of dresses supper was served by the ladies of Presbyterian Guild. Proceeds from the evening were donated to the Presbyterian Sunday School for equipment.

ALTONA JUNIOR FOOTBALL CLUB

The general meeting and annual report will be at Marions Hall, Queen Street, Seaholme, on Thursday, November 7, at 8 p.m.

ALTONA LADIES BOWLING RESULTS

It was mixed results for the ladies playing bowls last Tuesday.

Due to the heavy rains which soaked the greens at Kew the game between Altona No. 1 Team and Kew was postponed. The match will be played within the next two weeks.

Outright likely in only W.C.A. Game

Owing to heavy rain overnight and early on Saturday morning, only one of the scheduled three games in the Werribee Cricket Association games could be commenced on Saturday last.

In this game, at State Research Farm, Werribee (2) went to bat after winning the toss, and a quick procession to and from the wicket followed. As a result of the good bowling, Werribee were easily dismissed for a meagre 28 runs, and, for this, much of the credit must go to Research Farm's opening bowlers Paul Doolan and Bob Carrail, who took 4/6 and 3/0 respectively.

When Research Farm took the "willow" they soon set about respectably overhauling the lean Werribee total. However, play was interrupted when a four foot tiger snake was sighted taking up the position of backward square leg. After lethal blows had been struck, the snake was removed on the point of a cricket stump by Umpire Martin Sharkey. Noticeable hesitancy was shown by fieldsmen who were subsequently requested to oc-

cupy the square leg position.

The State Research Farm batting proved fairly solid and at stumps they were 5/108. Principle scorers were Harry Lang with 32 and Peter Shannahan with 23. This match will be continued next Saturday with the home side likely to gain an outright win.

At Laverton heavy conditions around the wicket, and in some parts of the outfield prevented any play at that venue between the home side and Werribee South.

Under divided time conditions on Saturday the result of this game should prove interesting.

Werribee (1) and IOR were also frowned upon by the inclement weather and with the added heavy rain during the past few days a sticky wicket seems almost certain.

If this is the case, wickets should tumble in quick succession.

Scores from the game played are as follows—

LIFE MEMBERSHIP IN YACHTING

The Altona Yacht Club has conferred life membership to its present secretary, Mr. Trevor (Bluey) Pearl. Bluey has been the driving force behind the club since its inception 10 years ago, and but for his perseverance, would have folded up about four or five years ago.

Now due almost solely to his untiring efforts, the Altona Yacht Club is in a sounder position than it has ever been and has only a prosperous future ahead of it.

Last Saturday the Williamstown Sailing Club celebrated the opening of their 1963-64 sailing season.

Five Hornet Class Yachts from Altona sailed around to attend and four Moth class yachts were taken around by trailers.

Due to the unpleasant weather the Moths did not sail. The Hornets, however, were little troubled with the weather and all except Althea, which suffered damage to her mainsheeting gear, completed in the short race which marked the opening of the season.

First was Jet sailed by Tom Jones and Ron Wilson, 2nd: Athene (John Bartlett and Ian Beachly); 3rd: Rock 'n' Roll (Peter and Harry Job); 4th: Shadow (John Andrews and Dave Philp).

COUNCIL REPS. FOR LOCAL SCHOOLS

The three year appointments of Altona Shire Council representatives on local schools Advisory Councils expires on December 31.

All representatives were re-nominated with the exception of Cr. Cooper to the Altona North Technical School Advisory Council. Cr. Cooper declined re-appointment as he is not available to attend the school meetings which are held in the late afternoon. Cr. H. W. Lee will take his place as from January next year.

SEAHOLME SCHOOL NEWS

Head teacher, Mr. A. Blackie, would like all parents, who have children to commence school next year, to enrol them, at the school, as soon as possible.

£25,000 Building for Elderly Citizens

£25,000 is the estimated cost of a building being considered by the Werribee Old Peoples Welfare Committee for the Elderly Citizens Club. The committee has £4500 in hand and with the Government subsidy of £2 for £1 to a maximum of £5000, they have a total of £9500 towards the building.

A deputation consisting of Messrs. Shaw, Doney and Delaney of the Welfare Committee, and Mr. Barker, president of the Elderly Citizens Club, attended the last meeting of Werribee Council with a request that councillors consider raising a loan of £15,000 to overcome the finance problem of the committee.

Mr. Shaw said he desired the finance problem to be resolved within a reasonable time and to see the erection of the building in the near future.

The committee has visited a number of clubs in the metropolitan and country areas. They have seen them in operation, viewed plans, noted good points and looked for faults.

The committee has decided they should strive to erect a building which will do for a number of years without the necessity of extensions as have been found necessary in other municipalities.

They wish to build a club worthy of the district and suitable for the comfort, friendship and needs of club members. Wyndam House because of its historic associations with the district has been chosen as the name of the club house.

Present membership is 120, but Mr. Shaw told councillors he had been assured with the erection of their own building this number would be doubled.

He said representatives of the Old Peoples Welfare Committee considered it most essential to provide a billiard room to maintain a balance between the two sexes.

At this stage a building of 80 to 85 squares was felt to be ideal. Although it sounds a large building it will only be adequate for 15 to 20 years.

Mr. Shaw said as his committee was only a sub-committee to the council it was difficult in approaching any person or body for a loan. Therefore, he requested the council to consider raising a loan for at least a 15-20 year term.

The shire secretary, Mr. Minns, said the council had already borrowed all authorised loan money for 1963-64. However, an application may be made to the Treasurer for permission to raise a further loan for a special purpose and it would probably be favourably considered by the Loan Council.

Cr. Earl asked if there was a yearly subsidy for upkeep of the building.

There is a maintenance subsidy of 4/5ths cost up to £800 per annum replied Cr. Hudson.

Cr. Hudson went on to say in view of other council commitments, which will require further loan moneys, he did not feel at this stage a loan for this purpose should be applied for. He said he is not against the scheme, he was behind it, but felt it should be considered with other items requiring loan money and all be combined together.

Cr. Earl suggested the Welfare Committee should put their proposals in writing so the council could get a clear idea of what they were being committed to.

Cr. McNaughton said a quick decision was not possible as all loan money has been raised and allotted. However, further permission to borrow loan money will be necessary for such things as office storage, sewerage at the shire hall, etc., and the elderly citizens building will be considered at the same time. He is not against the building, but there are other needs which must be considered.

Councillors then agreed to consider the matter further when the committee present their proposals in writing to the council.

Grandstand for L'ton

Tenders for the erection of a grand stand on Laverton Recreation Reserve are to be called for by Werribee Shire Council.

Plans for a pavilion to hold 500 people have been submitted to council.

Cr. B. Comben moved that the engineer, Mr. McCormack, be instructed to call tenders and Cr. Gibson seconded the motion.

The shire president, Cr. A. Davis, suggested before calling tenders councillors needed more time to consider the proposed stand but if tenders are called immediately Cr. Davis said he presumed East Riding Councillors would consider the whole matter carefully before going ahead with the project.

Cr. Earl asked how East Riding Councillors would finance the scheme.

Cr. Comben replied he had already considered the plans and the finance. He said the cost had been accounted for in the estimates of the last loan received by Council.

It was then agreed to call tenders for the stand.

Members of the Bennett Pathfinders Rover Crew held a successful working bee at the Scout Hall last week.

Part of the work included the laying of drainage pipes. The cub pack held an interesting picture night for the parents last Thursday night. The lady cub master, Miss Pat Phelps, showed films of her overseas tour.

YOUNG FARMERS CLUB ACTIVITIES

The next meeting of the Werribee Young Farmers Club will be held at 7.30 p.m. on November 5 at the hall.

The Country Fire Authority will give a talk on fire control and their radio network.

LAVERTON TENNIS CLUB NEWS

Don't forget the Laverton Tennis Club's Open Tournament on Cup Day, Tuesday, November 5.

The tournament starts at 12.30 p.m. and the entry fee is 3/- per racquet. Immediately following the tournament there will be a barbecue at which you are required to supply your own meat only.

The barbecue will then be followed by a table tennis evening. Anyone wishing to attend this tournament, etc., will be most welcome.

L'TON GUIDES ANNUAL MEETING

The Local Association of Laverton Girl Guides had a most successful evening on the occasion of its annual meeting last Friday. This was held for the first time in the new Guide Hall, and all L.A. meetings will take place here in future.

Among the visitors were Cr. Davis, shire president representing the council, and Mr. North, who presented a clock to the LA on behalf of Werribee Lions Club. Also present were scouts from the 1st Laverton Group.

Cr. Davis took the chair whilst LA elections were taking place and Mr. Luck was elected as president, with Mr. Moss secretary.

The LA is very sorry to be losing Mrs. Jones, who leaves for Malaya in the near future.

The entertainment given by the guides and brownies was enjoyed by all present.

Mrs. Freason, the District Commissioner, gave her annual report and afterwards answered questions on the guide movement.

This very pleasant evening closed with supper, and the LA looks forward to seeing new members at future meetings to be held in the guide hall.

WERRIBEE RIFLE CLUB

The Werribee Club was successful in both of its team events over 30 yards at Williamstown last Saturday. The championship grade team defeated the Victoria Police by the narrow margin of one point, while the B Grade team defeated the Melbourne University by 47 points.

The club teams shoot was held in conjunction with this shoot with the Gold team winning by 13.1 points.

Details are as follows—

Gold Team, 393.4; Blue Team, 380.3.

Top scorers for Werribee were R. Morrall 50 for the Champion Grade and J. Sandford, 45 for B Grade.

Next Saturday there will be a working bee on the home range.

NO POLICE STATION THIS YEAR

It appears the Laverton Police Station will not be erected during the current financial year.

In a letter to Mr. G. E. Crick, MLA, the Acting Chief Secretary said £2000 had been set aside during this financial year to be spent on the station.

As the estimated cost of the proposed station is £12,000 it can be seen that, as yet, little more than the plans will be achieved.

BENEFIT FOR SPORT FACILITIES

Sporting facilities in Werribee Shire will benefit from subsidies provided by the Local Government Department.

For the erection of a tennis court, basketball court and fencing at Werribee Shire the subsidy will amount to £667 provided the council spends £330.

Subsidy for the Little River Tennis Court is £330 if the council spends £267.

For fencing Truganina Reserve the council will provide £100 and the subsidy will be £200.

£266 subsidy and £133 from the council will be used to construct a double basketball court on Soldiers Reserve.

The council must complete the works and claim the subsidies by May 1, 1964.

TENDER ACCEPTED

Werribee Council has accepted a tender of £1563 for a new Bedford truck to replace one in use at present. Trade-in value of the old truck was given at £201/6/-.

Werribee Golf Notes

Saturday's final event for the year, mixed four-somes, was played in perfect weather, and the course was in beautiful condition after the rain. The president, Mr. George Tinkler, welcomed members, associates and friends.

He also thanked the committee and associates for the help during the year, and presented the trophies.

"Baldy" and his relations made a clean sweep for the day.

Hearty congratulations to all trophy winners for the year.

The No. 1 team is the only team to play at Altona.

TABLE TENNIS PRESENTATION

The annual presentation night of the Western Suburbs Table Tennis Association will be held at the splendidly appointed Petroleum Refineries (Australia) Pty. Ltd. auditorium on Friday, November 22 when a comprehensive array of trophies won during the year will be presented.

In keeping with the high standing of the Association, the Mayor of Williamstown, Cr. Max Robertson, will attend and present a number of the trophies; he will be assisted therein by president Harvey Smith, former presidents Frank Werner and Jack Wylie, and vice-president Don Henderson, of the Footscray Sports Depot.

Trophies to be presented include premiership pennants for the summer competition 1962-63, the winter pennant competition 1963, with minor awards for the runner-up teams, and aggregate trophies for the most consistent players in each of the various grades. In addition the Robert Fleming trophy for the outstanding sportsman in each grade of the winter season, Footscray Sports Depot for the outstanding player of the year, and the Frank Werner trophy for the outstanding team.

Following this will be a wide range of trophies for the winners and runners-up of the championship and handicap events at the Association Annual Tournament, held at the Table Tennis Centre in July, 1963.

ANNUAL MEETING

The annual meeting of the association is scheduled for Monday, December 2, at the Centre, and further details of this will be advised.

ALTONA TENNIS CLUB NEWS

A Reserve (2) and B Grade registered their first wins last Saturday, both teams having their regular players in.

A Reserve (1) were downed by Kingsville at Kingsville, where the asphalt courts played a large part in our defeat.

A Grade narrowly defeated Liston Esplanade by three games. Ron Graham, captain, was not available.

Tuesday was ladies day trophy was won by Mrs. M. Harrington.

WEST NEWPORT BASEBALL CLUB

West Newport will play Footscray at 1.45 p.m. on Sunday, November 3, at the Summer Baseball ground at St. Kilda, just behind the St. Kilda Football Ground.

All players are to be at the ground no later than 12.45 p.m., and any player unavailable is asked to either notify the secretary, Kerry Barr, at 30 Johnston Street, Newport, or phone Alan Solomon at 65-8880 before 4.30 p.m. on Friday, November 1.

In the second game on Sunday at 3.30 p.m. Newport, who were surprisingly beaten by Footscray last week, will play the strong batting United States Air Force team.

ALTONA DISTRICTS DART LEAGUE

Owing to the late arrival of score sheets no darts results will be published this week.

Last week's results will be published together with this week's in the next issue of the "Star."

premiership team which defeated Toorak, he was also leading goal scorer for the team in that year.

After retiring from the hockey scene, Trickey returned to playing football, this time with the Altona Football Club and he played with them from 1953 until 1957 in the half forward flank and roving positions and was in the 1956 premiership XVIII which defeated INF after a replay in the grand final.

Versatile and keen to remain actively engaged in sport, Trickey took up football umpiring in 1958 with the VFL Reserve Grades and he umpired his first final in 1960 in the Croydon-Fern-tree Gully League.

At the end of the 1963 football season, Trickey had umpired 187 appointed games including 27 finals series.

These finals covered various grades of football which included country leagues, the Federal District League, the Technical Schools Association and VFL third finals on the Melbourne Cricket Ground.

An invitation to join the VFL Senior Umpires list in 1960 was declined by Trickey owing to other commitments, thus depriving him the opportunity of making the big time.

Trickey is a member of the Medway Golf Club and in October last year he had a hole in one at the 17th, a feat that is rarely achieved in the game of golf. He is now on a handicap of 17 in club competition play.

Sport loving Norman Trickey has successfully devoted plenty of time and effort to this phase of his life and even with over 20 years of sporting activity behind him, is still far from the end of his tether.

NEXT WEEK: Meg Harrington, Altona tennis star.

SPORTING PERSONALITIES PAST AND PRESENT

No. 13—NORMAN TRICKEY

All rounders in sport are not uncommon, but lifetime Altona resident Norman Trickey has a record which is full of variety and first class performances.

Trickey as a cricketer first played for the Altona ANA Cricket Club from 1939 until 1946 and in that time he was a member of the 1944-45 B Grade premiership team. Higher grade cricket followed for Trickey in the 1946-47 season, as he joined the Williamstown Cricket Club and played for their thirds until 1950 in the VJCA competition and during his stay with the club, he scored his first century getting 128 runs in a semi-final series.

Altona ANA Cricket Club had Trickey back to their XI in the 1950-51 season and he later captained the undefeated 1954 team, this naturally included the premiership, which was played on a matting wicket. With a score of 126 runs to his credit in this game, Trickey certainly gave his team plenty of support in their win over the Newport Baseballers.

In 1958 Altona ANA entered the turf wicket competition and in 1961 they won the B Grade premiership with Trickey also a member of that XI.

Appointments were in order for Trickey in 1962 and 1963 as he became a life member of the Williamstown and Footscray Districts Cricket Association and the Altona ANA Cricket Clubs respectively.

Batting averages have fallen to Trickey on no less than 13 occasions, he having won this honour in the past nine seasons with the ANA club. The Williamstown and Footscray District Cricket Association batting average has gone to Trickey on four occasions, the most recent being in the 1960-61 season. Trickey made his highest score, a 138 not out, in a semi-final against the H. B. Smith XI in 1953.

Football and hockey were sport mixtures for Trickey during the years of 1942-43 as he played in curtain raiser matches with the North Melbourne third XVIII and later in the day represented the Altona Hockey Club.

Between the years 1942 and 1952 Trickey played three grades of hockey, A, B and C and in 1947 he was centre forward in the C Grade

MOTORIST COMMITTED FOR TRIAL

In the Second Court of the Williamstown Court of Petty Sessions, before Mr. H. Kim and Mr. F. Dann, Justices of the Peace, Leslie John Dennett, of Lark Street, Altona, was charged with driving under the influence and driving in a manner dangerous to the public on September 22. Dennett elected to go for trial and was represented at the hearing by Mr. Fogarty.

Constable J. Evans said at 12.20 a.m. on September 22 he was approaching North Williamstown gates and saw a car in front. It almost collided with the north-west gate as it veered right. The car continued on, on the wrong side of the traffic island, turned left and continued down Kororoit Creek Road, again on the wrong side of the traffic island. It travelled on the wrong side for a further 200 yards, forcing oncoming traffic to slow down to avoid collision. It then moved back to the correct side. The police car pulled alongside and tooted the horn and instructed the driver to pull over.

The driver was in a slumped position but moved over right into the rough. After getting out of the car, the driver, Dennett, staggered backwards and supported himself on the car. He put his hand to his mouth and said, "Oops."

At the police station he was asked to do tests, but kept blinking his eyes and shaking his head and turned a very pale colour. He said he would be all right and would do the tests, but he was in a helpless condition and it appeared useless giving him further tests.

A member of the Breath Analysis Section gave evidence that Dennett's blood alcohol measured .210% being the equivalent of 14.7 oz. glasses of beer.

When asked if that was correct, Dennett had said, "I wouldn't know how much I had." He told the police he had been to a christening party at Williamstown. He had had his last drink at 11.45 p.m. and was given the breath test at 12.40 a.m. placed in a cell at 1.15 and was in a deep sleep at 1.45 a.m.

Dennett, who pleaded not guilty to both charges, reserved his defence and was committed for trial on both charges at the Court of General Sessions, commencing on December 1.

COMPLAINTS NOT SUSTAINED

Complaints on insufficient accommodation on the 7.59 a.m. up train from Werribee to Melbourne were not substantiated by the Minister of Transport.

In a letter to Mr. G. R. Crick, M.L.A., the Minister said the 5th and 6th carriages from the rear of the train, with a capacity of 160 people were reserved at Geelong for Werribee passengers. Approximately 150 passengers board the train at Werribee.

The front section of the train which overhangs Werribee Station is fully occupied by through passengers from Geelong.

ALTONA HIGH SCHOOL CANTEN

A part-time paid manageress will be employed at the Altona High School canteen as from next Monday.

This should considerably relieve the voluntary helpers of some of the responsibility and work involved in running the canteen.

The Mothers' Club members have run the canteen since its inception approximately four years ago.

KOORINGAL GOLF NOTES

Saturday's Stroke results are as follows—

A GRADE: B. Noblett (7), net 72, on a count-back from G. Rich and V. Grant.

B GRADE: I. Skipworth (16), net 69.

C GRADE: L. Brown (22), net 69.

The main event this week was the final round of the M. Fordham Trophy.

This event was staged over 36 holes, with the ultimate winner being A. Lindquist, with a fine net score of 142 (69, 73).

The G. Newman Trophy was also played on Saturday and resulted in a three way tie between N. Lavelle, E. Wiffen and G. Rich, with a net score of 143 over 36 holes. The replay will take place next week.

Sunday's Stableford was won by F. Williams (17), 36 points, from S. Emerson (15), 35 points, T. Keane (15), 35 points and P. Oliver (24), 35 points.

On Sunday the Associates held a Stableford competition which was won by Mrs. Keane (29), 29 points, on a count-back from Mrs. Williams.

The previous Sunday the Associates contested a stroke event (which was accidentally omitted from the notes) this event was won by Miss J. McDiven (26), with a very fine score net 69.

Next Saturday is Monthly Medal Day.

NO REAR NUMBER PLATE

Joe Muscat, of Sargood Street, Altona, was fined £2 for driving a car with no rear number plate or it and 5/- for failing to produce his licence when requested to do so.

Constable Phenister saw Muscat driving along Kororoit Creek Road, Altona North, on June 9. There was no rear number plate on it and Muscat told him he had taken it off to fit a tow-bar on, and when asked for his licence he said he never carried it with him.

Muscat said to Constable Phenister, "I know all the coppers in Altona and the Justice of the Peace, this won't do you any good."

NEW SPORTS STORE FOR WERRIBEE

Mayall Electrics, leading Werribee electrical traders for the past 15 years, have announced they intend opening a sporting goods store in the main shopping centre of Werribee.

For many years Mayall Electrics have stocked sporting goods in their present store but now feel that the growth of the town and the increasing interest in sport in the district warrants a separate store for this purpose.

The store will be opened in the near future and will be situated in Watton Street two

stores east of the State Savings Bank. It is hoped that the many sporting organisations which have been so kindly treated over the past years by this progressive firm continue their support as their step in providing a shop solely for sporting essentials is certainly a step towards further improving sport in the district.

PORTION OF THIRD AVENUE CLOSED

Third Avenue, between Mason Street and Hendren Avenue, Altona North, will be discontinued. St. Patrick's Cathedral, Melbourne, own land bounded by Mason Street, Second Avenue, Hendren Avenue, and Fourth Avenue. It is divided by the section of Third Avenue as described above.

They applied to Altona Council for consent to close that part of Third Avenue. This would give one undivided site which would be of great advantage for church purposes.

Application was also made for the drainage easements running down the centre of each block to be removed so as not to interfere with future buildings.

The shire engineer, Mr. R. C. Simmons, considered there

was no reason why the road and easements could not be removed with safety because if the church authorities decided in years to come to subdivide the land for residential purposes, then the authorities would have to construct road and drainage to council's specifications as condition to the sealing of the subdivision.

Councillors agreed to the discontinuance of the road.

NEW CAR PARK OPEN

A new car park in the vicinity of Pier Street, Altona, has been sealed and is available for public use.

It is situated in Railway Street North, between McBain Street and Sargood Street on railway land.

No fees may be charged for parking on the area and hire cars and taxis are not permitted to park there.

An agreement between the council and the Railways De-

partment grants the council a five year lease on the land and thereafter on a weekly basis with six months notice to be given by either party to terminate the agreement.

QUARRY PRICES MODIFIED

Quarry Masters have modified the standard price they agreed to for materials delivered anywhere in the metropolitan area. They had agreed to a fixed price of 34/- per square yard.

They now propose that the metropolitan area be divided into four zones, the zones being fixed according to the distance from major quarries. There is to be a price differential of 2/- per cubic yard between the various sections. Altona which is within the

first zone, would be charged a certain price by all the Quarry Masters who have agreed to the fixed charge. Municipalities in the zone which is furthest from a major quarry would be charged 6/- per cubic yard more.

CHIS-LON'S ANNUAL MEETING

Last Friday night was a happy occasion when 12 ladies, all members of the Altona Spastic Aid Committee, attended the fifteenth annual meeting at Chis-lon Spastic Centre at Seddon.

During the evening one of the senior members, Mrs. Shields, presented the president with a further cheque for £150, making the total donations from Altona £1350.

All ladies of the committee wore identical orchids, presented to them by the secretary.

Cr. G. den Dulk, Altona Shire President, attended the meeting.

Mr. Jack Joiner, of Altona Bus Lines, has for the past three years given the proceeds from the sale of the bus time tables as a donation. This year a further £10 has been received. The committee thanks Mr. Joiner for his generosity and to all who give so willingly to assist this very necessary work, please accept their thanks.

HOLD HIGH THE TORCH

The observance of the ELEVENTH DAY of
NOVEMBER—ARMISTICE DAY—as a day of Re-
membrance has become a tradition among British
people throughout the world and the Flanders Poppy
is the accepted Symbol of Remembrance of all those
who gave their lives during war, as well as of all
those who served.

The 11th hour of the 11th day of the 11th
month of the year 1918 marked the cessation of five
years of war. A war during which the sacrifice of
lives—the break-up of homes, families and nations,
and the heroic conduct of men surpassed that of all
previous wars.

After years of sorrow and
tragedy hope rose again in
the hearts and minds of
people throughout the world
while thousands upon thou-
sands mourned the loss of
men—and women—who did
not survive.

Members of the Returned
Servicemen's League in Aus-
tralia remain ever mindful
of the words, written by
John McCrae—

"To you from failing hands
We throw the torch.
Be yours to hold it high.
If ye break faith with us
who die
We shall not sleep,
Though poppies grow in
Flanders Field."

and they believe that "Re-
membrance" and "Recogni-
tion" of the valour and sac-
rifice of those for whom the
poet speaks can be best ex-
pressed by rendering service
to the living—to those who
as a result of war service,
are in distress.

This is the service the RSL
seeks to perform. This is the
service it asks the people of
Australia to support when it
asks us to Wear the Poppy
of Remembrance as a tribute.

This is the way each of us
can help to "Hold high the
torch" in Remembrance and
Gratitude.

MORE CHIPS AVAILABLE

Fried potato chips instead
of fruit and vegetables are
to be sold at the milk bar at
22 Pier Street, Altona.

The proprietor applied to
the council for permission to
change the business from
milk bar-green grocers to a
milk bar-potato chip busi-
ness.

To obviate any drainage
problem the potatoes will be
prepared ready cleaned.
Council approved of the
changeover.

BRAYBROOK PONY CLUB

Garry Bridges, of Altona,
won the Pony Club Jumping
Contest at the Bacchus
Marsh Annual Show. He was
also in the finals of the Flag
and Bending Race.

A very successful cross
country was held by the club
on Sunday last, which was
won by Jeanette Stevens,
equal second were Raymond
Maher and Gary Bridges and
third was Bill Penhally.

AUSTRALIA DAY

The Australia Day Committee has made some
concrete arrangements for the celebration of Aus-
tralia Day next year.

Various organisations have
offered and are making suit-
able plans for activities dur-
ing the afternoon.

The committee are anxious
to have more organisations
take part in the celebrations
and invite them to attend
the next meeting on Novem-
ber 14.

Arrangements so far will
take up five hours of the
afternoon.

ELDERLY CITIZENS' CLUB NEWS DANCE

Elderly citizens, your next
dance will be on this Satur-
day night, November 2, at 8
p.m., in the club rooms.
